

# Tour overview : Themes/Concepts/Story

<b>Tour Name</b>	<b>Tour of Experience History and Nature in Kagoshima</b>
<b>Theme</b>	The history of Satsuma and the blessings created by Sakurajima
<b>Concept</b>	Experience with all five senses the magnificent nature, precious history, and slowly nurturing traditional culture unique to Kagoshima.
<b>Stories</b>	<p>Kagoshima is a city in one of the southernmost regions of Japan, the southern tip of Kyushu. The city has a warmer climate than most Japanese cities because of its location but also because of the proximity of active volcano Sakurajima. Also, Kagoshima has a rich history as the former seat of one of Japan's most powerful feudal clans, the Shimazu, who played a central role in the Meiji Restoration.</p> <p>On this tour, you can feel energy of the earth from the observatory and how local people live with the active volcano by cycling on Sakurajima and experience the hot spring culture benefiting from the volcano. Also, at Sengan-en, you will see magnificent view of nature of Kagoshima and historical sights. This place was build as a villa of local feudal lords in the 17th century, There is a house preserved and you can go inside and see how then people lived there.</p> <p>Experience dynamic power of nature and feel sophisticated beauty and history of Kagoshima.</p>
<b>Target Market</b>	<p>[Target market] Young and wealthy people, mainly in Europe and the United States, with their families. However, children are junior high school or higher.</p> <p>[Reasons for target setting] Intended for families who want their children to see and experience different cultures while their parents enjoy themselves.</p> <p>※Please <input checked="" type="checkbox"/> the elements of the tour that you would like your established target clientele to experience</p> <p><input type="checkbox"/>Experiences that will change their outlook on life    <input checked="" type="checkbox"/>Experiences that get you to caputure the essence of the area</p> <p><input checked="" type="checkbox"/>Discovery and understanding through a wide range of experiences    <input type="checkbox"/>A challenging experience</p> <p><input type="checkbox"/>An environment that feels extraordinary    <input checked="" type="checkbox"/>Accommodation and food that feels unique to the area</p>

# Tour Overview: Itinerary & Highlights

**Tour Name** Tour of Experience History and Nature in Kagoshima

## Itinerary

### Day1

13:00 Meet at Kagoshima-chuo Station  
 13:30 Take the Sakurajima ferry to Sakurajima.  
 14:00 After renting out a bicycle at the Sakurajima Visitor Center Sports Cycle Rental, depart for cycling the island of Sakurajima. Enjoy the scenic sites of Sakurajima such as Kurokami Observation Point, Kurokami Buried Torii Gate, Arimura Observatory, and more.  
 17:00 Check-in / Dinner at hotel

**Transportation** Private car, Boat

**Accommodation** Around Kagoshima-chuo Station

## Intention to experience each journey

The appeal of cycling Sakurajima is that you can really see the subtle changes in Sakurajima's facial expressions. You can also better experience the calm of Kinko Bay, and the panoramic view of the city of Kagoshima on the other side all at your own pace, while riding a bicycle. If you are lucky, you can hear the boom of Sakurajima's eruption and see it fuming gray ash. Please enjoy the rich blessings of the volcano.

### Day2

10:00 Check out and depart from Hotel  
 10:00 Arriving at Sengan-en  
 Enjoy a traditional Japanese garden and stately home  
 12:30 Lunch at restaurant of Sengan-en  
 14:30 Arriving at Kirishima Shrine  
 16:00 Check-in  
 - Experience Kagoshima's Onsen Culture  
 - Enjoy local cuisine for dinner

**Transportation** Private car

**Accommodation** Sakurasakura Onsen (Kirishima)

This stately home and traditional garden belonged to the powerful Shimadzu clan, offering a breathtaking view of the active volcano Sakurajima. Explore the expansive house and gardens to get a true feel of how a feudal lord lived. Afterwards, visit Kirishima Shrine, designated as a national treasure and important cultural property, to experience the sacred atmosphere that surrounds this revered site.

## Intention to experience each journey

Barrel Valley Praha&Gen is one of the few facilities in Japan that produces rice malt, which is essential for fermented foods, along with Kagoshima specialties like shochu and black vinegar all under one roof. The presentation on rice malt production is a popular attraction, as are the samples of shochu and health foods made with this rice malt.
